LICENSING & REVIEW

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USFBI routinely retains information on its records from the earliest date of filing. The USFBI would deny the modification of a search application made previously to release a name under an FBI # and upon no results from 6 months from the filing date of 90 days from the date of request to the agency. This information will be deleted for publication 6 months from the filing date or 90 days from the above "Date Requested" which ever is later. Unless a response is received in the USFBI regarding the request for recommendations to the removal of a source or writer.
